President's Message

NCPSMA Colleagues,

Welcome to the 45th Annual NCPSMA Eastern Convention/ Workshop.

I would like to thank you for the opportunity to serve as the 25th president of our association. Through our NCPSMA Convention Workshops, members are provided with an opportunity to engage with, and learn from, one another; as well as obtain knowledge from our workshop presenters and exhibitors to improve our job skills.

NCPSMA stands out among other school maintenance associations across the nation. We are rooted in a rich history and have withstood changing and challenging times. I plan to continue in the footsteps of our forefathers in building a strong association. I need your help to do this. Your continued support, enthusiasm and loyalty to NCPSMA is essential.

We must continue, together, to build a bright future for our association. Let us move forward with passion and purpose for the betterment of public school maintenance in our North Carolina Schools.

Sincerely,
Michael Spillman, NCPSMA State President
Maintenance Director, Davie County Schools

Thank you for participating in the 45th Annual NCPSMA Convention/Workshop! We *appreciate* your participation and hope you will have an informative and enjoyable stay.

If you are a regular member (presently employed in a public school system maintenance department) who preregistered (by the preregistration deadline) you will have a red ticket in the envelope inside your name tag holder. This ticket is for the preregistration drawing (\$50) to be held during the opening session. If you are sure you preregistered and do not have a red ticket, please see Roxie at the registration table. **You must be present to win the drawing.**

You will receive a certificate for attending the workshops. The certificate will be mailed to your LEA after the convention. If your name is misspelled on your name tag, please tell Roxie so she can correct it before printing the certificates. **Please be faithful to attend the workshops.** Many hours of planning have gone into these workshops. We trust you will find them interesting and informative. We value your feedback. Please complete and turn in the workshop evaluation forms.

Also, please take time to visit with the exhibitors - to talk with them and listen. If what they are selling does not apply to your trade, offer to pass the information along, and then please do so. Let them know they are appreciated. Our vendor support is very important.

If you purchased an awards banquet card it is in the envelope inside your name tag holder (if you purchased an extra card it will also be in your name tag holder). You must have this card to get into the banquet room. Please stop by the registration table if you have any questions.

- Your contact for the *Vendor Pig Pickin*, sponsored by the Vendor Association, is Charlie Barnhardt with Matt Marshall & Company.
- Your contact for the *Golf Tournament* is Larry McClain with Handi-Clean Products, Inc. If you have any questions concerning the golf tournament you will need to contact Larry before Thursday due to the fact the tournament begins early on Thursday morning.
- Your contact for the *Cornhole Tournament* is Wes Lee.
